

No More Free Dump Days!

The Landfill Committee has chosen to eliminate the Free Dump Days. In its place we are providing a TICKET that permits you **ONE Free Day per year** to be used on **any day at your convenience through out the year.**

Free Dump Days have always meant too many vehicles too many people arriving on one day, resulting in the need to hire extra staff and pay for hours of clean up afterwards in the days following. It is hoped that by issuing the TICKET there will be no need for the extra staff on a given day and the extra hours of clean up afterwards. **The use of a Ticket will allow you to pick the day you wish to call your free day and not limit you to a specified day.**

How does the Ticket work?

1. Each property owner will receive one ticket with the Interim Tax bill.
2. Your ticket is good for one free day at the Landfill.
3. Your ticket does NOT permit free dumping of Contractors materials, or demolitions.
4. Print your name on the back of the ticket and present it to the attendant.
5. **Absolutely NO additional tickets will be given; if you lose your ticket or do not have it with you tipping fees will apply no exceptions.**
6. Restrictions will apply such as NO Hazardous material
7. **Ticket is NOT valid for burnable items during a Fire Ban**
